

W. S. C.'S DAY

State College Eleven Defeats Missionaries 4 to 0.

It was the simple passing of the ball over the cross bar of the west goal of Rogers field that made Washington State College victor over Whitman in the annual gridiron battle on Thanksgiving day. Holt Boone received the leather from the hands of Cherry, placed it carefully in the dirt at his knees, and one mighty boot by the good right foot of Joe Halm sent it sailing gracefully between the uprights and over the cross-bar for the only score of the game.

That was all there was to it, but it meant one of the sweetest victories of the year's football history, and placed the Crimson and Gray far up the flagstaff among the northwest colleges as regards championship honors.

Rooters Joyous.

It was a moment of supreme joy. Nobody cared whether he was disturbing his neighbor's headwear by his frantic gesticulations, but every one was given up to the wild joy and enthusiasm of the moment. Thereafter the game took its even course, but there was no stopping the terrific onslaughts of the State College men. Whitman tried desperately to score and failed. The Pullman boys had the game pocketed and refused to give it up.

Foran Injured.

Early in the game Quarterback Johnnie Foran, of W.S.C., received a temporary paralysis of the shoulder, or a bad wrench of some nature, and he was replaced by Holt Boone. Right there is when Boone grasped the opportunity to show what he could do as a field general. His judgment was unerring and he

ran the team like a veteran football player.

Whitman Gains.

Whitman opened the game with a rush, and had the locals taken aback a trifle by the speed of their attack and the fact that they used a series of plays without calling signals. Borleske made a dash around the end for 25 yards, and all but made a touchdown. But the Pullman line held on the next play like a wall of adamant and W.S.C. secured the ball, punting out of danger.

Only once again during the game was the line threatened, and then Whitman tried a place kick which failed. On the other hand the locals went to the visitors' 5 and 10 yard line repeatedly, only to lose the ball because of the penalties being inflicted.

Criss Cross Play.

Bender penalized W.S.C. nine times for a total of 95 yards. Whitman received three penalties for a total of 35 yards.

Blanchards' men opened up a good ground gainer in the shape of a criss cross play which worked successfully twice during the game. The Missionaries, credited with playing the new game for the most part, used the forward pass twice for total gain of but six yards, while Rheinschild's men attempted it four times, working it successfully four times for a total of 14 yards.

Good Punting

Throughout the game one source of Washington's strength lay in Joe Halm's punting. In spite of the bad field he punted ten times with an average of 31.5, while Whitman punted 14 times for an average of 24.4 yards. The State College backs were a terror to Whitman's line, often marching down the field for long gains, only to be set back by a 15 yard penalty and having to resort to a punt. Cave at right half played a brilliant game, while Fishback in the line broke through many

times for tackles. Washington advanced the ball 183 yards from the line of scrimmage, to Whitman's 152.

The lineups follow: W.S.C.—Cherry, c.; Halm, r.g.; Captain Wexler, l.g.; Fishback, r.t.; Hunter, Laird, l.t.; Galbraith, r.e.; Coohn, Buck, l.e.; Foran, Boone, q.; Cave, r.h.; Montgomery, Crane, f.b.; Cheely, l.h. Whitman—Clemens, c.; Mathews, r.g.; Morrow, l.g.; Bassett, r.t.; Willson, Brainard, q. Borleske, r.h. Belt, f.b. Cushman, l.h.

NOW BASKETBALL

State College Five has Good Schedule for the Coming Season.

The basketball team of the Washington State College is scheduled to take a trip to Seattle and other coast points during the month of December, during the program of which a game may be played with the University of Washington.

Manager E.A. Holcomb, of the State College five, has announced definitely that the team will take the coast trip and that a game with the Seattle Y.M.C.A. had been scheduled, either for December 23 or 24. On one of these dates the game with the university will be played, providing suitable arrangements can be made with Manager Rasmussen. Holcomb has not yet received word from the latter to indicate his sentiment with regard to a game between the two institutions.

According to Manager Holcomb's schedule, the following games will be played during the trip: S.A.A.C., at Spokane, December 17; Gonzaga College, at Spokane, December 18; North Yakima Athletic Club, December 19; Ellensburg Athletic Club, December 21; Roslyn Y.M.C.A., December 22; Seattle Y.M.C.A., December 23 to 24.

The remainder of the season's schedule thus far arranged, follows: Whitman College, at Walla Walla, January 15 and 16; University of Idaho, at Moscow, January 9; University of Idaho, at Pullman, January 23; Whitman College, at Pullman, February 6; University of Idaho at Moscow, February 12.

Manager Holcomb also feels fairly certain of being able to bring the University of Idaho

COLLEGE PLAY

Websterian Society Will Give "Just Out of College."

The Interscholastic committee has changed its plans with reference to giving the play, "Captain Rackett." Instead the Websterian society will put on the comedy drama, "Just out of College," which is one of the newest and best plays out. This is very probably one of the most difficult plays ever undertaken by any college organization.

Through the courtesy of the Websterian society, the Interscholastic committee will receive the larger part of the receipts. It is to be hoped that every one will be as liberal and unselfish as the Websterian society and will help this along and make this a great success. Dana Murdoch, of the Websterian society, and Prof. Timblin, chairman of the Interscholastic committee will jointly manage this undertaking.

The play will probably be put on in Lewiston under the auspices of the Lewiston High School; the receipts to be used to bring the Lewiston band here to the Interscholastic meet this year.
