## Sophomore Victory.

The fifth annual inter-class field meet was held on Roger's Field last Saturday afternoon.

The afternoon was somewhat damp and threatening but nevertheless a fairly large number of spectators were lined up on the hillside, to see the college athletes "do battle" for class honors. Generally speaking the contest was a very interesting one and the events were run off one after another in quick succession, avoiding the monotonous delays which usually

detract so much from the pleasure of such performances.

The Sophomores won a decided victory with a total score of seventy six points against the Freshmen's thirty seven, while the Juniors scored six points and the Seniors "gobbled up" the other two. The meet brought out some very interesting features and now the possibilities of the season can be more reasonably prophesied. Cowgiil for the Freshmen was the greatest point winner in the meet, making twenty two points in all, three firsts, two seconds and one third. Hammer was second man, with eighteen points to his credit, having captured three firsts and one second. Thomle took third place for individual work by winning eleven points, two firsts and one third.

The men who distinguished themselves by winning first places, for the first time are Fulton in the 120 yard hurdles, Mac-Kay in the mile and Agneu in the broad jump.

The events with the records made are as follows:

- 1. 100 yard dash. Hammer 1st. Cowgill 2nd. Cheney 3rd. Time 11—1-5.
- 2. Hammer throw. Cowgill 1st. Thayer 2nd. Thomle 3rd Dist. 113—1.

R. P. Cowgill, Freshman

13. Broad jump. Agneu 1st. Cheney & McKinzie 2nd. 17-8.

14. Relay Race. Sophomore Class.

Most of the records made in Saturday's meet are rather slow and would not look very well in an intercollegiate meet but there are a number of things to be considered which interfered. The new track was rather soft, the day was cold, many of the men were in their first meet and all in the first meet of this season. Considering these things we have no reason to be discouraged with the present outlook but rather we have reasons to be extremely hopeful.

Stanford won the annual field meet with Pomona by a score of 81 to 36.
