BAND CONCERT

A Highly Finished Entertainment. All Numbers Encored by Large Aud-Ladies' Glee Club. ience.

The concert given by the State College military band at the Auditorium was one of the best things in the line of music ever heard in Pullman. A large audience received every number with heartiest applause. The band of thirtyfive pieces was at its highest pitch of excellence and was a splendid result of the long and efficient training of Professor Strong. Any college may well be proud of a band that can render the productions of masters like Verdi, Bach and Batiste with the finish and taste with which Friday night's program was given. It is impossible to pick out the "bright spots" of that program; every number was superb.

The entertainment of the evening was further heightened by the Ladies' Glee Club with some of its most charming songs. Twelve girls like those girls, all in white, and singing as only Mrs. Strong's girls sing, will take most any audience by storm. The Club was encored repeat-

edly,

SOLDIER BOYS DEPART

Pride of the State College Leave for Fortland and the Fair. A Week's Encampment.

The College Cadet Corps and Band left for Portland on a special train Monday evening. Assembly was sounded at 5:40, the "troops" fell in and a few minutes later were marching down the hill toward the station.

Three hundred cadets, well drilled and headed by a splendid band, presented the most imposing military spectacle ever seen in Pullman. All the College and town lined up to see the boys pass or else gathered at the station and gave the young warriors a grand send off. The train bore away about the jolliest set of soldiers Uncle Sam ever possessed.

A week's encampment will take place on the Exposition grounds at Portland. The corps and band will take part in the opening exercises of the Lewis and Clark Exposition. The cadets are better drilled than ever before and the band is at its best. We may expect to hear all kinds of good reports from the boys "at the front."

New Dorm.

A new dormitory will be built north of Stevens Hall this summer, and will be ready for use next year. About 32 men will be accommodated. will be no dining hall attachment. Charges will probably be from \$12 to \$15 a semester.

Notice.

Regular monthly business meeting of the Athletic Association Wednesday. June 7th. Important election of officers for next year.
