## TWO INTERSCHOLASTIC TROPHY CUPS OFFERED

Dr. Campbell of Pullman and the Spokane Chronicle Are Donors—66 Medals Ordered.

## COOIL AND NELSON FEATURES

Spokane High Stays With East Side Meet.

Sixty-six medals, 22 sets, have been ordered by Prof. Charles Timblin, chairman of the Interscholastic Committee for the Interscholastic Meet May 13. The Spokane Chronicle has offered a \$60 cup to take the place of the big McCroskey cup carried off by Spokane High School last year after being won three times in succession. Dr. Campbell of Pullman has offered a smaller trophy to be known as the Campbell cup for competition among the minor High School teams.

A special feature of the meet this year will be exhibition races by both Nelson and Cooil. Cooil is to run five miles the afternoon of the meet, being pitted against the three best distance men of the college, who will run in relays against him. Nelson is to run an exhibition hundred.

Prof Timblin has received a request from Pearson's Academy of Walla Walla asking that they be allowed to compete in the meet. It has not been definitely decided yet whether or not the request will be granted, but they will probably be wired to enter their team.

The Spokane High School has assured the Interscholastic Committee that they will enter their full track team in the meet here instead of splitting the team and sending half to Seattle for the West Side meet, which takes place on the same date.

The Committee on Orations, Profs. Kreager, Isaacs, Cleveland, Thompson and Akers, have decided that the following orations will be delivered: "Liberty Under Law"—Owen Kilgore, Spokane.

"The Federation of the World"—Miss Myrtle Stamey, Prosser.

## COMING NOMINATIONS AROUSE STUDENT BODY TO ACTION

Fussers and Anti-Fussers in Hot Race with Independents. Deac. Ryan and Jumbo Hunter Stump Campus as Campaign Managers.

Interest in annual elections for student assembly officers is running high this year. Already the different party caucuses are being held and platforms and straw ballots are the uppermost thoughts in every student mind.

The two strongest parties seem to be the Fussers and the Anti-Fussers. The former are building their party lines on the matter of appropriations for the removal of mosquitoes from the vicinity of Tanglewood and otherwise improving the natural charm of the place.

The Antis build their platform of strongly economical planks, and consider the granting of appropriations on the value of the returns to be derived from them.

They maintain that gymnasium and track equipment calls for appropriations and gives ample returns for money invested. And, of course, there is an independent party. Those who can not affiliate with either the Fussers or the Anti-Fussers have ringed together and formed the Greater W. S. C. party. They stand for all that will best promote the welfare of their Alma Mater both at home and abroad and would appropriate the student funds for anything that would bring the college favorable recognition. They would exterminate mosquitoes and would also fix up the track trusting in the Lord to provide the necessary funds for each.

Straw ballots have been taken at the different party caucuses and these show that interest and excitement are bound to bob up next Friday morning at the general student nominations.

"Down with the Tanglewood mosquitoes," is the slogan of the Fussers.

## PARTY AFFILIATIONS OF LEADING STUDENTS

Canvass Made Tuesday Morning Shows Fussers Strong.

Following Monday's announcement of the date set for student nominations, ward bosses and campaign managers lost no time in rounding up their forces and getting into harness.

Groups dotted the campus in all directions and doorways and steps hummed with the busy conspirators. As near as can be learned at this time, there are but three parties in the field. An attempt was made to list the active party workers but time was too short to admit of obtaining a complete list. Following is a partial list of the prominent students and their party relations.

## MONTANA U. BRINGS TRACK TEAM FRIDAY

First Meet With College in Several Years—U. Will Bring Fourteen Men.

## W. S. C. ENTERS LIKE NUMBER

Several Freshmen to Appear on Varsity Team.

For the first time in several years we are to have a track meet with the U. of M. Montana is bringing fourteen men, and saying nothing as to what they can do, so we have no way of forecasting the outcome of the meet. According to the agreement we will enter only as many men in the meet as does Montana. This will work rather to our disadvantage, as we have a large number of men to pick from, and few who are trying for more than one event. Montana's men and the events they enter are as follows:

100-yard Dash—Dobson, Comrad, Winstanley.

220-yard Dash—Dobson, Conrad, Winstanley.

440-yard Dash—Beard, Cameron. 880-yard Run—Cameron, McDonald.

1 Mile Run—McDonald, Bullerdick, Wells.

120-yard Hurdles—Dinsmore, Theime.

220-yard Hurdles—Dinsmore, Theime.

Broad Jump—Beard, Marshall, Theime.

High Jump—Marshall, Theime, Ryan.

Pole Vault—Metler.

Discus—Maclay, Ryan.

Hammer—Maclay, Ryan.

Shot Put—Maclay, Ryan.

220-yard Dash—Cooke, Graves, Lowry.

440-yard Dash—Graves, Ritter, McWhorter, or Cooke.
