

J. B. Bennett, a resident of Alderwood Manor, Washington, is in the thick of community activities of his home town as president of the Snohomish County Chamber of Commerce, member of the board of directors of the Island-Snohomish Red Cross and Evergreen State Fair, and ex-officio member of the board of the Everett Chamber of Commerce. He is also president of the Lynwood Commercial Club. Bennett graduated from the State College with a B.A. in Economic Science and History.

1927

Colonel Aaron W. "Jeff" Beeman is in the regular army and is assigned to the General Staff in Washington, D.C. Col. Beeman graduated from WSC with a B.A. in Business Administration.

W. A. G. Bennett is still with the State Division of Mines and Geology at Olympia.

1928

Mr. and Mrs. Felix McLarney and their two sons of Portland, Oregon, visited the WSC campus and the Alumni Association office last month. Mrs. McLarney is the former **Dorothy E. Siedenbaum**, who graduated from the State College with a B.A. in Education in 1929. Mr. McLarney received his B.A. in Business Administration. The March visit to campus marked the first time in twenty-four years that Mr. McLarney had been back to WSC. The couple and their sons now make their home at 4014 NE Royal Court, Portland. The McLarneys were greatly impressed by the growth and development of the campus in the years since they were here as students.

1931

James W. Rideout reports "nothing new" from San Diego, California. "Still operating Rideout Produce Company." Jim received his B.A. in Business Administration from WSC, and Mrs. Rideout, the former **Ruth Bronson**, received her B.A. in Music from the State College.

Albert L. Johnson is in the real estate appraisal business in San Bernardino, California. He is a member of the American Institute of Real Estate Appraisers, Kiwanis, associate member of the Society of Residential Appraisers, and member of The American Right of Way association. Mr. and Mrs. Johnson have three children, Carol Louise, 10; Joanne Babette, 6; and Albert L. Jr., 5. Mr. Johnson writes that he sees **Kenneth Kelly**, '31, occasionally in San Bernardino. He says he hopes to get to Pullman for a visit this summer.

1932

Mrs. Donald C. Keith, the former **Melva Royal**, writes from Yakima that she is "very interested in the issues of *POWWOW*." Mrs. Keith graduated from WSC with a B.A. in Education. She and her husband have been operating a funeral home in Yakima for the past fourteen years. The couple has three children, and the oldest, Donna, is a freshman at WSC.

1933

Harvey K. Murer now is manager of Central Laboratories Division, General Foods Corporation, New York, N.Y. Murer administers the company's grants-in-aid program, which supports the development of food research activities in universities and other fundamental research laboratories. Subjects under special study as part of the General Foods program include the "cold sterilization" of foods, spray drying engineering, agricultural trace elements, and structural design of cartons. Murer received his B.S. in Agricultural Chemistry from WSC.

1934

Lt. and Mrs. M. B. Hurtig are living at 7011 29th Avenue, NE, Seattle, where Lt. Hurtig is stationed with the Marine Corps. Lt. Hurtig attended WSC in 1933-34 and then transferred to the University of Washington. Mrs. Hurtig is the former **Dorothea A. Shelley**.

1937

Alfred R. Erickson is working at the Conneaut Base Works of the Lamp Division of General Electric. He reports that he and his family have built a new home at 1002 Lincoln Drive, Conneaut, Ohio, and enjoy living near Lake Erie. Al was made superintendent of the plant January 1. Says he hasn't run across any old WSC'ers. (Some of you Ohio Cougars had better drop around and say hello to the Ericksons.) Erickson received his B.S. in Electrical Engineering from WSC.

Mr. and Mrs. John Bley report that they moved to Nye, Montana, in January, and Mr. Bley has assumed the position of manager of the American Chrome Company's mine there. The Bleys say, "We'll mine chrome here for the government stock-pile, and in the meantime welcome our friends of the alumni who care to drop over for a visit." Mrs. Bley is the former **Ruth Wigen**, who received her B.S. in Home Economics from the State College in 1937. Mr. Bley graduated from WSC with a B.S. in Mining.

1938

Mrs. Joseph F. Chiotti, the former **Virginia Patton**, writes from Snoqualmie, Washington, that she is an enthusiastic weaver, has two looms, and is a member of the Seattle Weavers' Guild. During the past ten years Mrs. Chiotti has been president of the Garden Club, Woman's Study Club, and church group. At present she is president of the P.T.A. The Chiottis have one daughter, who is in the fourth grade.

1941

George DeLap is teaching Physical Education and coaching at Ecklo, Oregon. He has had outstanding football teams for the past ten years. DeLap graduated from WSC with a B.S. in Physical Education.

1942

Lots of Cougar news from Dr. **Donald L. Moyer**, of Portland, Oregon. Don writes that **Dr. Lyle G. Nicholson**, '37, and Mrs. Nicholson are the proud parents of three fine boys and are expecting a fourth. Dr. Nicholson, Dr. Moyer, **Dr. N. E. Johnson**, '37, **Dr. Charles O. Stirling**, '50, and Dr. Richard Koenig are associated in a group veterinary practice in Portland and Beaverton, Oregon. He also reports that **Dr. Dick Wolden**, who graduated from WSC in '44 with a D.V.M., went on to medical school at Loma Linda, California and now is practicing at Bourbon, Missouri. Dr. and Mrs. Wolden have four children. **Dr. Walt Schuehle**, '42, is working with the hoof and mouth disease control program in Mexico. He is stationed in Mexico City at the present time. Dr. Moyer says he visited with **Dr. Frederick Parker**, '37, and **Dr. Wilson Poug**, '37, in Honolulu last spring. "These boys have a beautiful new hospital with all the latest equipment. **Dr. George C. Folger**, '37, is a Territorial veterinarian for Hawaii and we visited him on Kauai, where he was chasing down a soy bean meal poisoning in the dairy cattle."

Saul Tennenbaum is chief bacteriologist for the Premo Pharmaceutical Company in New York, and also is an instructor in Bacteriology at Fairley-Dickinson College. Tennenbaum graduated from WSC with a B.S. in bacteriology.

Fritjof Jonassen writes from Giesen, Germany, where he is director of a United States Information Center. Jonassen was married some time ago to Miss Andreina Burich, of Rome, Italy. He received a B.S. in Horticulture from the State College.

Mary Lou Berry now owns a public relations agency—Allied Services—in Longview, Washington. Formerly, Miss Berry was with the National Staff of the Girl Scouts of America.
